3. General remarks on the answers submitted by the institutions

As indicated in the methodology established by the Bank for answering this questionnaire (see circular), institutions should, for each of the questions included in this questionnaire, choose the answer option that is best suited to their internal organisation. The Bank acknowledges that the answer options defined by it do not always fully capture the actual situation within each institution. When choosing from the answer options available, it is therefore important to select an option that is a true reflection of the actual situation within your institution and that can be justified later on. In the text box below, you can formulate general remarks (limited to 2,000 characters) on the answers submitted by your institution. Please note that these general remarks are not taken into account in the initial, automated analysis of your institution's answers.

37. Employees, officers and agents + training		
Has your institution established a procedure which stipulates how staff members, agents or distributors can notify shortcomings in fulfilling AML/CFT obligations or other AML/CFT-related incidents to the person responsible for AML/CFT anonymously and through a specific and independent channel?	37.1.	[Yes] / [No] / [Not applicable]
Did your institution in 2022 face severe integrity incidents involving employees (staff members, officers, agents, etc.) of your institution (fraud, deliberate involvement in money laundering or terrorist financing, severe violations of your institution's internal AML/CFT procedures, etc.)?	37.2.	[Yes] / [No] / [Not applicable]
Does your institution have a training programme with regard to the Belgian AML/CFT regulations?	37.3.	[Yes] / [No] / [Not applicable]
Does your institution have a training programme with regard to compliance with the provisions on financial sanctions and embargoes and other restrictive measures?	37.4.	[Yes] / [No] / [Not applicable]
With regard to the above matters, is your institution's training programme imposed on everyone in the institution equally, or is it differentiated according to the specific tasks of the staff and to the relevance of their tasks for the correct implementation of the above regulations by your institution?	37.5.	- Equally for everyone - Differentiated - Not applicable
Does your institution's training programme allow employees, officers and/or agents to regularly refresh and/or update their knowledge of AML/CFT whenever needed (e.g. in case of new regulations, new products or activities, new procedures, regular (periodic) refreshing, etc.)?	37.6.	[Yes] / [No] / [Not applicable]

38. Identification and identity verification of customers, agents, ultimate beneficial owners		
Does your institution, before providing services, identify and verify the identity of the customers with whom a business relationship is initiated or for whom occasional transactions are performed for which identification is required by law? ³	38.1.	[Yes] / [No] / [Not applicable]
Does your institution identify and verify the identity of any agents of customers as referred to in the previous question before they use their powers of representation? ³	38.2.	[Yes] / [No] / [Not applicable]
Does your institution identify the ultimate beneficial owners of its customers before providing services to the latter? ³	38.3.	[Yes] / [No] / [Not applicable]
Do your institution's internal procedures stipulate the appropriate and risk-adapted measures to be taken to verify the identity of these ultimate beneficial owners (insight into the customer's ownership and control structure)?	38.4.	[Yes] / [No] / [Not applicable]
If the identity of the ultimate beneficial owners of your institution's customers could not be verified, do the customer files provide a justification in writing for the investigative measures implemented in the matter?	38.5.	[Yes] / [No] / [Not applicable]

³ If your institution makes use of the possibility provided for by law to delay customer identification temporarily, you may answer this question affirmatively if your institution performs the identification systematically and without exception before providing services in all other cases.

Do your institution's procedures provide for the mandatory identification and identity verification of customers wishing to perform an occasional transaction:		
▪ consisting of one or more transactions that appear to be linked and amount to 10,000 euro or more?	38.6.	[Yes] / [No] / [Not applicable]
▪ consisting of one or more transfers of funds that appear to be linked and amount to 1,000 euro or more, or regardless of the amount if your institution received the funds concerned in cash or in the form of anonymous electronic money?	38.7.	[Yes] / [No] / [Not applicable]
▪ whenever there is a suspicion of money laundering or terrorist financing, regardless of whether the transactions the occasional customer wishes to perform exceed the thresholds above?	38.8.	[Yes] / [No] / [Not applicable]
Please answer the following questions relating to occasional customers who regularly and repeatedly call on your institution:		
▪ are occasional customers who have not entered into a contractual relationship with your institution, but who regularly and repeatedly call on your institution to perform a number of distinct and consecutive financial transactions, considered customers with whom your institution has initiated a business relationship?	38.9.	[Yes] / [No] / [Not applicable]
▪ do your institution's internal procedures specify the exact criteria that should be applied to determine when an occasional customer who regularly and repeatedly calls on your institution should be considered a customer with whom a business relationship has been initiated (e.g. by precisely stating the number of transactions a customer must have performed, possibly in a well-defined period)?	38.10.	[Yes] / [No] / [Not applicable]
Do your institution's internal procedures specify the documents to be submitted by the customer or the other evidence to be collected by your institution that are necessary for verifying the customer's identity, taking into account the customer's risk classification?	38.11.	[Yes] / [No] / [Not applicable]
Does your institution make use of new or innovative technology in order to identify or verify the identity of its customers, their agents and/or their ultimate beneficial owners?	38.12.	[Yes] / [No] / [Not applicable]

39. Identification of the customer's characteristics and of the purpose and nature of the business relationship or occasional transaction

Do your institution's procedures provide that your institution, before the commencement of the service, gains insight into and collects information on the customer's characteristics and on the purpose and nature of the business relationship or intended occasional transaction?	39.1.	[Yes] / [No] / [Not applicable]
Are the insights gained and the information obtained, as referred to in the previous question, registered in writing (on paper or electronically) in the customer files?	39.2.	[Yes] / [No] / [Not applicable]
Are the insights gained and the information obtained, as referred to in the question above, used specifically by your institution for the implementation of its customer acceptance policy and its due diligence policy?	39.3.	[Yes] / [No] / [Not applicable]
In what manner does your institution, before the commencement of the service, collect information on the customer's characteristics and on the purpose and nature of the business relationship or occasional transaction?	39.4.	- Interview - Questionnaire - Combination of both - Other - Not applicable

Please indicate, for all your customers or, depending on the risk, only for a specific part of your customers, whether your institution collects the following information on customers' characteristics or on the purpose and nature of the business relationship initiated with them or the occasional transaction performed for them:		
▪ Information on the professional activities and on the level of professional income or turnover:	39.5.	[Yes] / [No] / [Not applicable]
▪ Information on any sources of income aside from the professional income:	39.6.	[Yes] / [No] / [Not applicable]
▪ Information on the origin of the funds held by your institution on behalf of the customer:	39.7.	[Yes] / [No] / [Not applicable]
▪ Information on the overall size of the customer's funds (including the funds not held by your institution):	39.8.	[Yes] / [No] / [Not applicable]
▪ Information on the expected frequency, the geographical distribution and/or the size of the transactions and cash flows:	39.9.	[Yes] / [No] / [Not applicable]
▪ Other:	39.10.	[Yes] / [No] / [Not applicable]
Are the risk profiles of your customers, including those with a low risk profile, regularly updated or possibly reassessed?	39.11.	[Yes] / [No] / [Not applicable]

40. Politically exposed persons (PEPs)		
Do your institution's procedures require it to determine, before the commencement of the service, whether or not one of the following persons is a PEP:		
▪ the customer:	40.1.	[Yes] / [No] / [Not applicable]
▪ the customer's family members:	40.2.	[Yes] / [No] / [Not applicable]
▪ the customer's close associates:	40.3.	[Yes] / [No] / [Not applicable]
▪ the customer's agents:	40.4.	[Yes] / [No] / [Not applicable]
▪ the customer's ultimate beneficial owners:	40.5.	[Yes] / [No] / [Not applicable]
▪ the ultimate beneficial owners of the customer's agents:	40.6.	[Yes] / [No] / [Not applicable]
Do your institution's procedures specify the measures to be taken in order to verify whether or not one of the persons referred to in questions 40.1 to 40.6 is a PEP?	40.7.	[Yes] / [No] / [Not applicable]
Please indicate for each of the following sources of information whether they are used by your institution to verify whether or not its customers should be designated as PEPs:		
▪ information collected from the customer (e.g. a simple statement from the customer):	40.8.	[Yes] / [No] / [Not applicable]
▪ internal lists:	40.9.	[Yes] / [No] / [Not applicable]
▪ external lists or databases:	40.10.	[Yes] / [No] / [Not applicable]
▪ other sources of information:	40.11.	[Yes] / [No] / [Not applicable]

Are the methods referred to in question 40.7 for verifying whether or not a customer should be designated as a PEP applied to your institution's customers equally, or in a differentiated manner according to the risk?	40.12.	<ul style="list-style-type: none"> - Equally - In a differentiated manner - Not applicable
Does your institution systematically and without exception maintain an audit trail of the actions taken by your institution to determine whether or not your customers (or one of their relationships) are PEPs?	40.13.	[Yes] / [No] / [Not applicable]
Do your institution's procedures provide that the checks referred to in questions 40.1 to 40.6 should be repeated periodically for customers with whom your institution has initiated a business relationship?	40.14.	[Yes] / [No] / [Not applicable]
How often are the periodic checks referred to in the previous question performed?	40.15.	<ul style="list-style-type: none"> - At least once every month - At least quarterly - At least annually - Less than once a year - Not applicable

41. Customer acceptance policy

Does your institution, before the commencement of the service, assess the reputational risks associated with the profile and the nature of the business relationship or the intended transaction, taking into account the information collected on the customer and his relations (identification and identity verification, insight into the nature and purpose of the business relationship or occasional transaction, sanctions lists check, information on legal status of or ties with politically exposed persons, distribution channel used, nature of the product or service)?	41.1.	[Yes] / [No] / [Not applicable]
Does your institution's customer acceptance policy apply to all customers in a differentiated manner, depending on whether customers wish to initiate a business relationship or perform an occasional transaction?	41.2.	[Yes] / [No] / [Not applicable]
Are the customers with whom your institution has initiated a business relationship classified in a risk category defined by your institution based on the assessment referred to in question 41.1?	41.3.	[Yes] / [No] / [Not applicable]
How many different risk categories did your institution define for the classification of customers?	41.4.	<ul style="list-style-type: none"> - 1 category - 2 or 3 categories - 4 to 10 categories - More than 10 categories - Not applicable
Do your institution's procedures specify the hierarchical level responsible for deciding on whether or not to accept a customer or perform a transaction, depending on and taking into account the risk assessment referred to in question 41.1?	41.5.	[Yes] / [No] / [Not applicable]

42. Due diligence – instructions for staff		
Does your institution have written procedures and/or instructions for staff members who are in direct contact with customers or who are involved in performing or processing their transactions, and which		
▪ should enable them to detect atypical transactions that they should pay special attention to?	42.1.	[Yes] / [No] / [Not applicable]
▪ contain the procedure for drawing up and submitting written reports on atypical transactions to the person responsible for AML/CFT, including the time limits within which these reports should be submitted?	42.2.	[Yes] / [No] / [Not applicable]

43. Due diligence regarding transactions		
Does your institution draw up an expected transaction profile for every customer at the commencement of the service?	43.1.	[Yes] / [No] / [Not applicable]
In the context of transaction monitoring, does your institution verify whether a customer's transaction pattern aligns with the transaction profile drawn up for this customer?	43.2.	[Yes] / [No] / [Not applicable]
Are customers' transactions monitored in real-time, post-event or a combination of both?	43.3.	- Real-time - Post-event - Combination of both - Not applicable
Please indicate whether your institution's monitoring system meets the following conditions:		
▪ is the system based on accurate and relevant criteria (scenarios) defined by your institution which primarily take into account the characteristics of the products and services offered, the characteristics of the customers, the characteristics of the relevant countries and geographical areas and the characteristics of the distribution channels used, and which are sufficiently sophisticated to effectively detect atypical transactions?	43.4.	[Yes] / [No] / [Not applicable]
▪ are the criteria or scenarios referred to in the previous question regularly updated or assessed for efficiency?	43.5.	[Yes] / [No] / [Not applicable]
▪ does the system apply to all accounts and to all transactions of regular and occasional customers?	43.6.	[Yes] / [No] / [Not applicable]
▪ does it apply to securities transactions?	43.6 bis	[Yes] / [No] / [Not applicable]
▪ does it allow for a fast detection of atypical transactions?	43.7.	[Yes] / [No] / [Not applicable]
▪ does it generate written reports (on paper or in electronic form) that are delivered to the person responsible for AML/CFT, describing the atypical transactions that have been detected and indicating the criteria on the basis of which these transactions were designated as atypical?	43.8.	[Yes] / [No] / [Not applicable]
▪ is it able to detect transactions linked to high-risk countries (FATF, EU sanctions countries, etc.)?	43.9.	[Yes] / [No] / [Not applicable]
Is your institution's due diligence system for monitoring transactions (mostly) automated?	43.10.	[Yes] / [No] / [Not applicable]

44. Outsourcing		
Has your institution outsourced tasks (within or outside the group) regarding compliance with the AML/CFT regulations or with the provisions pertaining to the financial sanctions and embargo regime?	44.1.	[Yes] / [No] / [Not applicable]

Did your institution and the party to which these tasks are outsourced (within or outside the group) conclude a written agreement stipulating mutual commitments, responsibilities and obligations?	44.2.	[Yes] / [No] / [Not applicable]
Has your institution defined a policy (process/cycle) for checking the quality of the outsourced tasks (within or outside the group)?	44.3.	[Yes] / [No] / [Not applicable]
When did your institution last perform a quality check of the tasks outsourced (within or outside the group)?	44.4.	- Less than 1 year ago - Between 1 and 2 years ago - More than 2 years ago - Never as yet - Not applicable
Did the quality check referred to in the previous question reveal any severe shortcomings?	44.5.	[Yes] / [No] / [Not applicable]
If you answered 'yes' to the previous question, did your institution take the measures necessary to remedy the shortcomings found?	44.6.	[Yes] / [No] / [Not applicable]

45. Implementation of financial sanctions and embargoes

Does your institution, before the commencement of the service, systematically and without exception verify whether the following persons appear on the Belgian, European, or United Nations Security Council sanctions lists:		
▪ new customers of your institution:	45.1.	[Yes] / [No] / [Not applicable]
▪ their agents:	45.2.	[Yes] / [No] / [Not applicable]
▪ the ultimate beneficial owners associated with customer relations (UBOs of customers, customers' agents, etc.):	45.3.	[Yes] / [No] / [Not applicable]
Does your institution verify periodically, i.e. within a reasonable period after each update of the existing sanctions lists or after the publication of new sanctions lists, whether the following persons appear on the updated or new sanctions lists:		
▪ the customers of your institution:	45.4.	[Yes] / [No] / [Not applicable]
▪ their agents:	45.5.	[Yes] / [No] / [Not applicable]
▪ the ultimate beneficial owners associated with customer relations (UBOs of customers, customers' agents, etc.):	45.6.	[Yes] / [No] / [Not applicable]
When performing or receiving <u>international</u> transfers of funds (payments from or to persons or entities outside Belgium) on behalf of your customers, does your institution verify whether the counterparties of these customers appear on the sanctions lists, or whether the other information accompanying the transfer of funds (such as a payment reference) generates a match on these lists?	45.7.	[Yes] / [No] / [Not applicable]
When performing or receiving <u>national</u> transfers of funds (payments within Belgium) on behalf of your customers, does your institution verify whether the counterparties of these customers appear on the sanctions lists, or whether the other information accompanying the transfer of funds (such as a payment reference) generates a match on these lists?	45.8.	[Yes] / [No] / [Not applicable]
When providing resources (e.g. in the context of payments, repayments, credit, etc.), does your institution verify whether a sanctioned party is potentially involved?	45.9.	[Yes] / [No] / [Not applicable]
Please indicate whether your institution performs the screenings as referred to in all the questions above (45.1 to 45.9) based on the following lists:		

- The European sanctions lists:	45.10.	[Yes] / [No] / [Not applicable]
