²¹ According to article 62, § 9 of the banking law, the exercise of several directorships in undertakings that form part of the group to which the institution belongs or of another group shall be counted as one single mandate. For the application of this article, "group" shall be understood to mean a set of undertakings that are formed by one parent undertaking, its subsidiaries, the undertakings in which the parent undertaking or its subsidiaries have a direct or indirect holding within the meaning of article 3, 26^o of the Banking Law, as well as undertakings forming a consortium and undertakings that are controlled by the latter undertakings or in which these latter undertakings have a holding within the meaning of article 3, 26^o of the Banking Law. Therefore, according to this article, the definition of group encompasses, amongst others, both subsidiaries and qualifying holdings. Consequently, the Banking Law does not require to count (i) directorships held within entities that belong to the group and (ii) directorships held in all qualifying holdings of the same group as two (separate) directorships

NBB Privacy statement for the processing of personal data related to fit and proper assessments as part of the supervision of financial institutions

1 Data Protection legal framework applicable to the National Bank of Belgium

Processing of personal data by the National Bank of Belgium (NBB) falls within the scope of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – GDPR).

2 The NBB as controller of processing personal data

The NBB is the controller of the data processing operations in the context of supervision of financial institutions²⁸.

3 Purposes for processing personal data by the NBB

Personal data is collected and processed for the purpose of assessing whether the persons responsible for the management or for an independent control function meet the "fit and proper" requirements, i.e. whether they possess sufficient knowledge, skills and experience to fulfil their duties and are of sufficiently good repute.

4 Lawfulness of the NBB's data processing operations

The processing of personal data for the aforementioned purposes is necessary within the meaning of Article 6(1)(c) of the GDPR, in conjunction with Article 12bis of the Law of 22 February 1998 establishing the organic statute of the National Bank of Belgium, with the specific laws governing the supervision of financial institutions and with the European rules governing the Joint Supervisory Mechanism.

In particular, the NBB must ensure compliance with the relevant regulation that imposes requirements on financial institutions, including the requirement to have in place robust governance arrangements, including the fit and proper requirements for the persons responsible for the management of financial institutions or for independent control functions.

Moreover, the persons responsible for the management or for an independent control function of the financial institution shall at all times be of sufficiently good repute and possess sufficient knowledge, skills and experience to perform their duties.

In order to ensure that fit and proper requirements are met at all times, the NBB may initiate a new assessment based on new facts or issues or if the NBB becomes aware of any new facts that may have an impact on the initial assessment of the person responsible for the management or for an independent control function.

²⁸ Within the meaning of point (7) of Article 4 of the GDPR.

In exceptional cases, international transfers of personal data may also take place based on the derogation provided for by Article 49 of the GDPR.

8 Retention period

At present, there is no specific statutory retention period for the data (including personal data) that the NBB obtained further to the performance of prudential supervisory tasks.

For this reason, the NBB follows the provisions of the Act of 24 June 1955 on the organisation of the Belgian archives (i.e. the Archives Act), unless provided otherwise by law for specific documents or data. In accordance with the Archives Act, all documents processed by a State administration in the performance of its tasks must be kept for thirty years.

The thirty-year retention period commences from:

- the date of the request to withdraw the application before a formal decision is reached;
- the date of a negative decision;
- the date the data subjects cease to be members of the management bodies or of independent control functions of the supervised entity in the case of a positive decision;
- the date of the most recent decision in case of reassessment based on new facts.

In the event that administrative or judicial proceedings are initiated, the retention period is extended and ends one year after such proceedings are concluded by a final decision.
