Please use, within the framework of the REM_HE reporting, exclusively the 'New value' option.

By clicking 'New value' button a new window appears allowing to give a new value to the attribute (begin date + new value).

If you enter the conditions to report REM_HE for the ref. date 31/12/2022, the value of the attribute 'Remun. High Earners Reporting' must be 'True' with a value date in the range of 01/01/2022 - 31/12/2022. In concrete terms, the date 31/12/2022 is perfectly suitable.

The screenshot below already uses the correct value to generate a REM_HE report in OneGate at reference date 31/12/2022

Remun. High Earners Reporting

Description Attribut permettant d'établir la population d'institutions devant rapporter REMUN_HE

Default value

false
