

EXTERNAL STATISTICS

LIST OF CODES FOR SERVICES AND TRANSFERS
(applicable from 1 January 2014)
(explanatory note in annex)

Code	Description
1.	Transport of passengers
B2001	Transport of passengers by sea
B2101	Transport of passengers by air
B2201	Transport of passengers by rail
B2301	Transport of passengers by road
B1101	Transport of passengers by various combined modes
C0302	Trips outside their country of origin by travellers staying or holidaying abroad
C0303	Cruises
2.	Transport of goods
B0001	Transport of goods by sea
B0101	Transport of goods by air
B0201	Transport of goods by rail
B0301	Transport of goods by road
B0401	Transport of goods by inland waterway
B1102	Transport of goods by various combined modes
B1200	Launch of satellites and transport of goods in space
B1001	Transport of goods by pipeline
B1002	Transport of electricity
B0003	Relocation of oil rigs, floating cranes and dredgers
3.	Hire and renting of means of transport
B2002	Renting of ships with crew for the transport of passengers
B2102	Renting of aircraft with crew for the transport of passengers
B2202	Renting of railway rolling material with crew for the transport of passengers
B2302	Renting of cars and coaches with driver for the transport of passengers
B2401	Renting of inland waterway vessels with crew for the transport of passengers
C0301	Renting of cars without driver for the transport of passengers
F6001	Renting of means of transport other than cars without driver or crew for the transport of passengers
F6301	Financial leasing of means of passenger transport
B0002	Renting of ships with crew for the transport of goods
B0102	Renting of aircraft with crew for the transport of goods
B0202	Renting of railway rolling material with crew for the transport of goods
B0302	Renting of lorries with driver for the transport of goods
B0402	Renting of inland waterway vessels with crew for the transport of goods
F6002	Renting of any means of transport without driver or crew for the transport of goods
F6302	Financial leasing of means of goods transport

Code	Description
4.	Transport auxiliary services
B3000	Sea transport auxiliary services
B3100	Air transport auxiliary services
B3200	Rail transport auxiliary services
B3300	Road transport auxiliary services
B3400	Auxiliary services for inland waterway transport
B4000	Auxiliary services for other means of transport
E0003	Repairs to transport infrastructure
A4200	Purchase and sale of fuel and supplies
A0200	Purchase and sale of aircraft and ships registered under a foreign flag
5.	Post, telecommunications and information services
D0001	Postal services
L0011	Specifically for BPOST - La Poste: Postal orders, provisions, money transfers: international money order
L0022	Specifically for BPOST - La Poste: Postal orders, provisions, money transfers: incoming
L0023	Specifically for BPOST - La Poste: Postal orders, provisions, money transfers: outgoing
F5001	Financial services supplied by mail handling companies
D0002	Messaging services
D1000	Telecommunication services
G1001	Press agency services
G1002	Other information services
6.	Information technology services
G0001	Information technology services
F6003	Operational leasing and hire of computer hardware
F6303	Financial leasing of computer hardware
7.	Financial services, commissions and brokerage
F5002	Financial services, excluding insurance-related services and those provided by mail-handling companies
H0000	Commission and brokerage services relating to trade
8.	Accounting, management, advertising and legal services
H1000	Legal services
H1100	Auditing, accounting, tax advice and secretarial work
H1500	Business and management consultancy, public relations
H2000	Advertising, market research and opinion polls
H7000	Services and operating expenses relating to associated non-resident enterprises (inter-company)
L1000	Transit invoicing of severance pay etc. between associated enterprises due to restructuring

Code	Description
9.	Technical and scientific services
H3000	Research and development services
H4001	Architecture services
H4002	Engineering services
H4003	Scientific services and other technical services
H5000	Waste processing, pollution clean-up and environmental services
H5101	Agricultural and mining services
H5102	On-site processing
10.	Hire and renting of movable and immovable property not elsewhere classified
F6004	Operational leasing and hire of movable property other than means of transport and computer hardware
F6304	Financial leasing of movable property other than means of transport and computer hardware
F6005	Renting of immovable property in Belgium to international institutions
F6006	Renting of immovable property in Belgium to non-resident companies other than international institutions
F6007	Renting of immovable property abroad with non-resident counterparties
11.	Insurances
F0001	Premiums for life insurance, excluding pension fund contributions
F0002	Pension fund contributions
F1000	Premiums for freight insurances against theft, damage or loss of cargo
F2000	Premiums for all other types of direct insurance
F3000	Reinsurance premiums
F4000	Commission, valuations, estimates and other insurance- and reinsurance-related services
F0100	Interest and capital arising from life insurances, capitalisation insurances, group insurances, savings insurances and pension funds
F1100	Reimbursements and compensations relating to freight insurance
F2100	Reimbursements and compensations relating to all other types of direct insurance
F3100	Reinsurance claims
12.	Royalties, licence fees and other intellectual property rights
G5000	Franchise fees and similar fees for the use of registered trade marks
G6000	Royalties and licence fees for the use of patents, copyrights and industrial processes and designs and licences for reproduction and distribution
G7000	Acquisition or assignment of property rights for franchises and registered trade marks
G8000	Acquisition or assignment of green electricity certificates, heat power certificates, origin warranties and CO ₂ emission rights
G8500	Acquisition or assignment of property rights for patents, copyrights and industrial processes and designs

Code	Description
13.	Audio-visual and personal services, culture and leisure
H8000	Audio-visual and related services
H9000	Educational services provided remotely or abroad
C9000	Educational services delivered to non-resident students in Belgium
H9100	Health-related services provided remotely or abroad
C9100	Health services delivered to non-resident patients in Belgium
H9200	Cultural and leisure services provided remotely or abroad
C0304	Cultural and leisure services such as purchase and sale of admission tickets to non-residents for shows, events and concerts taking place in Belgium
H9300	Other personal services and membership fees
14.	Construction, assembly and industrial installations in Belgium
E0301	Construction services running less than one year carried out on a site in Belgium by non-residents + subcontracting contracts
M5001	Construction services running for more than one year carried out in Belgium, by non-residents + subcontracting contracts
M9900	Construction work carried out on a site in Belgium by a resident contractor on behalf of a non-resident contracting authority, excluding subcontracting contracts
15.	Construction, assembly and industrial installations abroad
E0001	Construction services running less than one year carried out abroad by residents + subcontracting contracts
M1001	Construction services running more than one year carried out abroad by residents + subcontracting contracts
X0002	Goods dispatched from Belgium to a foreign site, the value of the goods being included in the total value of the construction contract
E0002	Goods and services (other than sub-contracting services), purchased locally, their value being included in the total value of the construction contract
M4900	Construction work carried out on a foreign site by a non-resident contractor on behalf of a resident contracting authority, excluding subcontracting contracts
16.	Business travel, seminars and tour operator services
C0000	Costs for participating in seminars and symposiums
C0003	Sojourn expenses for business travel abroad
C0401	Purchase and sale of accommodation, meals, cultural, leisure and sports services, cruises and excursions abroad (for tour operators)
C0402	Purchase and sale of package tours (transport + stay) abroad (for tour operators)
B2003	Purchase and sale of tickets for cross-border transport of passengers by sea transport (for tour operators)
B2103	Purchase and sale of tickets for cross-border transport of passengers by air transport (for tour operators)
B2203	Purchase and sale of tickets for cross-border transport of passengers by rail transport (for tour operators)
B2303	Purchase and sale of tickets for cross-border transport of passengers by road transport (for tour operators)
B1103	Purchase and sale of tickets for cross-border transport of passengers by various combined modes (for tour operators)

Code	Description
17. Services performed by non-resident workers (staff)	
K9000	Remunerations of non-resident staff, including social security and pension fund contributions
18. Taxes, customs duties, VAT and excise duties	
L3001	Tax, customs duty and fines paid to or refunded by non-resident public authorities
L3002	VAT and excise duty settlements with abroad
19. Damages	
L4001	Damages for the cancellation, break-off or non-execution of contracts
L4002	Damages for copying patents, trademarks or manufacturing processes
20. Allowances, gifts, subsidies and transfer fees for sportsmen/women	
L4003	Allowances, gifts and subsidies
G9000	Transfer fees for sportsmen/women
L0000	Subsidies for the financing of investment projects
21. Contract processing work, maintenance and repairs	
A2300	On contract processing of goods, if the gross transport before or after the processing of these goods has not been declared as such to Intrastat, Extrastat and customs
A2301	On contract processing of goods, if the gross transport before or after the processing of these goods has been declared as such to Intrastat, Extrastat and customs
A3300	Maintenance and repair services, with on-site technical support
A3301	Maintenance and repair services, with the goods concerned being imported or exported
22. Purchase and sale of other services with abroad	
H6100	Services of social secretary's offices and (temporary) employment agencies
H6200	Security and investigation services
H6300	Translation and interpreting services
H6400	Photographic services, print-outs
H6500	Cleaning of buildings
H6600	Call centre services
H6700	Real estate management services
X0003	Services not specified elsewhere

Annex: Explanatory note by service and transfer

1. Transport of passengers

CODE	SERVICE AND DEFINITION
B2001	Transport of passengers by sea <u>includes:</u> <ul style="list-style-type: none">– cross-border transport of passengers– transport as part of a holiday or package travel– supplement charge for transport of (additional) luggage, any possible vehicles– purchase by passengers on board of food, drinks and other goods– inland transport of passengers by a non-resident carrier <u>does not include:</u> <ul style="list-style-type: none">– trips outside their country of origin by travellers staying abroad (code C0302)– cruises (code C0303)– renting of ships with crews for passengers transport (code B2002) or without crew (code F6001)– financial leasing of ships (code F6301)– purchase and sale of fuel and supplies (code A4200)
B2101	Transport of passengers by air <u>includes:</u> <ul style="list-style-type: none">– cross-border transport of passengers– transport as part of a holiday or package travel– supplement charge for transport of (additional) luggage– purchase by passengers on board of food, drinks and other goods– inland transport of passengers by a non-resident carrier <u>does not include:</u> <ul style="list-style-type: none">– trips outside their country of origin by travellers staying abroad (code C0302)– hire of aircrafts with crew for passengers transport (code B2102) or without crew (code F6001)– financial leasing of aircrafts (code F6301)– purchase and sale of fuel and supplies (code A4200)

CODE	SERVICE AND DEFINITION
B2201	<p>Transport of passengers by rail</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – cross-border transport of passengers – transport as part of a holiday or package travel – supplement charge for transport of (additional) luggage – purchase by passengers on board of food, drinks and other goods – inland transport of passengers by a non-resident carrier <p>NB: transactions between railway companies are recorded on a gross basis, without compensation.</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – trips outside their country of origin by travellers staying abroad (code C0302) – hire of railway rolling material with crew for transport of passengers (code B2202) or without crew (code F6001) – financial leasing of railway rolling material for transport of passengers (code F6301) – purchase and sale of fuel and supplies (code A4200)
B2301	<p>Transport of passengers by road</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – cross-border transport of passengers – transport as part of a holiday or package travel – supplement charge for transport of (additional) luggage – purchase by passengers of food, drinks and other goods during transport – inland transport of passengers by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – trips outside their country of origin by travellers staying abroad (code C0302) – hire of means of road transport with driver for transport of passengers (code B2302) or without driver (cars: code C0301, other means of transport: code F6001) – financial leasing of means of road transport for transport of passengers (code F6301) – purchase and sale of fuel and supplies (code A4200)
B1101	<p>Transport of passengers by various combined modes</p> <p>To be used only if breakdown by transport mode cannot be precisely determined.</p> <p><u>Includes:</u></p> <ul style="list-style-type: none"> – cross-border transport of passengers – transport as part of a holiday or package travel – supplement charge for transport of (additional) luggage, any possible vehicles – purchase by passengers of food, drinks and other goods during transport – inland transport of passengers by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – trips outside their country of origin by travellers staying abroad (code C0302) – hire of means of transport with driver or crew for transport of passengers (ships: code B2002; aircrafts: code B2102; railway rolling material: code B2202; cars and coaches: code B2302; inland waterway vessels: code B2401) or without driver or crew (cars: code C0301; other means of transport: code F6001) – financial leasing of means of transport for transport of passengers (code F6301) – purchase and sale of fuel and supplies (code A4200)
C0302	<p>Trips outside their country of origin by travellers staying abroad</p> <p>Transport of travellers who, during their stay, travel in a country other than their own or travel towards a country other than their own.</p>
C0303	<p>Cruises</p>

2. Transport of goods

CODE	SERVICE AND DEFINITION
B0001	<p>Transport of goods by sea</p> <p><u>includes transport relating to:</u></p> <ul style="list-style-type: none"> – import and export of goods and international trade of goods – transit of goods via Belgium (transit trade) – transport of goods in other countries (cross trade) – transport of mail on behalf of postal services and courier companies – inland transport of goods by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – transport of goods by pipeline (code B1001) and transmission of electricity (code B1002) – relocation of platforms, floating cranes and dredgers (code B0003) – hire of ships with crew for the transport of goods (code B0002) or without crew (code F6002) – financial leasing of ships (code F6302) – purchase and sale of fuel and supplies (code A4200) – freight insurances (premiums: code F1000; claims: code F1100) – courier services (code D0002)
B0101	<p>Transport of goods by air</p> <p><u>includes transport relating to:</u></p> <ul style="list-style-type: none"> – import and export of goods and international trade of goods – transit of goods via Belgium (transit trade) – transport of goods via other countries (cross trade) – transport of mail on behalf of postal services and courier companies – inland transport of goods by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – launch of satellites and transport of goods in space (code B1200) – hire of aircrafts with crew for the transport of goods (code B0102) or without crew (code F6002) – financial leasing of aircrafts (code F6302) – purchase and sale of fuel and supplies (code A4200) – freight insurances (premiums: code F1000; claims: code F1100) – courier services (code D0002)
B0201	<p>Transport of goods by rail</p> <p><u>includes transport relating to:</u></p> <ul style="list-style-type: none"> – import and export of goods and international trade of goods – transit of goods via Belgium (transit trade) – transport of goods in other countries (cross trade) – transport of mail on behalf of postal services and courier companies – inland transport of goods by a non-resident carrier <p>Transactions between railway companies are recorded on a gross basis, without compensation.</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – hire of railway rolling material with crew for the transport of goods (code B0202) or without crew (code F6002) – financial leasing of railway rolling material (code F6302) – freight insurances (premiums: code F1000; claims: code F1100) – courier services (code D0002)

CODE	SERVICE AND DEFINITION
B0301	<p>Transport of goods by road</p> <p><u>includes transport relating to:</u></p> <ul style="list-style-type: none"> – import and export of goods and international trade of goods – transit of goods via Belgium (transit trade) – transport of goods in other countries (cross trade) – transport of mail on behalf of postal services and courier companies – inland transport of goods by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – transport of goods by pipeline (code B1001) and transmission of electricity (code B1002) – hire of lorries with driver for transport of goods (code B0302) or without driver (code F6002) – financial leasing of lorries (code F6302) – purchase and sale of fuel and supplies (code A4200) – freight insurances (premiums: code F1000; claims: code F1100) – courier services (code D0002)
B0401	<p>Transport of goods by inland waterway</p> <p><u>includes transport relating to:</u></p> <ul style="list-style-type: none"> – import and export of goods and international trade of goods – transit of goods via Belgium (transit trade) – transport of goods via other countries (cross trade) – transport of mail on behalf of postal services and courier companies – inland transport of goods by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – relocation of platforms, floating cranes and dredgers (code B0003) – hire of inland waterway vessels for transport of goods with crew (code B0402) or without crew (code F6002) – financial leasing of inland waterway vessels (code F6302) – purchase and sale of fuel and supplies (code A4200) – freight insurances (premiums: code F1000; claims: code F1100) – courier services (code D0002)

CODE	SERVICE AND DEFINITION
B1102	<p>Transport of goods by various combined modes</p> <p>Only use if breakdown by transport mode cannot be precisely determined.</p> <p><u>includes transport relating to:</u></p> <ul style="list-style-type: none"> – import and export of goods and international trade of goods – transit of goods via Belgium (transit trade) – transport of goods in other countries (cross trade) – transport of mail on behalf of postal services and courier companies – inland transport of goods by a non-resident carrier <p><u>does not include:</u></p> <ul style="list-style-type: none"> – hire and renting of means of transport of goods with driver or crew (ships: code B0002; aircrafts: code B0102; railway rolling material: code B0202; lorries: code B0302; inland waterway vessels: code B0402) or without driver or crew (code F6002) – financial leasing of means of transport (code F6302) – purchase and sale of fuel and provisions (code A4200) – freight insurances (premiums: code F1000; claims: code F1100) – courier services (code D0002)
B1200	Launch of satellites and transport of goods in space
B1001	<p>Transport of goods by pipeline</p> <p>With regard to transport of goods by pipeline, such as transport of oil, water and gas.</p> <p>It refers purely to the transport service and not to the value of goods transported.</p>
B1002	<p>Transmission of electricity</p> <p>With regard to the transmission of high-tension electrical energy through a group of interconnected lines and related equipment, between points of supply and points where it is converted into a lower tension for supply to consumers or to other electrical systems.</p> <p>It simply refers to the transmission service and not to the value of the electricity transmitted, as far as transmission services can be separated from production and distribution services.</p>
B0003	Relocation of platforms, floating cranes and dredgers

3. Hire of means of transport

CODE	SERVICE AND DEFINITION
B2002	<p>Hire of ships with crew for transport of passengers</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – hire of ships without crew for transport of passengers (code F6001) – financial leasing of ships for transport of passengers (code F6301)
B2102	<p>Hire of aircrafts with crew for the transport of passengers</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – hire of aircrafts without crew for transport of passengers (code F6001) – financial leasing of aircrafts for transport of passengers (code F6301)
B2202	<p>Hire of railway rolling material with crew for transport of passengers</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – hire of railway rolling material without crew for transport of passengers (code F6001) – financial leasing of railway rolling material for transport of passengers (code F6301)
B2302	<p>Renting of cars and coaches with driver for transport of passengers</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of cars and coaches without driver for transport of passengers (cars: code C0301, coaches: code F6001). – financial leasing of cars and coaches for transport of passengers (code F6301)
B2401	<p>Renting of inland waterway vessels with crew for transport of passengers</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of inland waterway vessels without crew for transport of passengers (code F6001) – financial leasing of inland waterway vessels for transport of passengers (code F6301)
C0301	<p>Renting of cars without driver for transport of passengers</p> <p>Including operational leasing or exploitation leasing.</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of cars with drivers for the transport of passengers (code B2302) – financial leasing of cars for the transport of passengers (code F6301)
F6001	<p>Renting of means of transport other than cars without driver or crew for transport of passengers</p> <p>Including operational leasing or operating leases.</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of means of transport other than cars with driver or crew for transport of passengers (ships: code B2002; aircrafts: code B2102; railway rolling material: code B2202; coaches: code B2302; inland waterway vessels: code B2401) – financial leasing of means of transport for the transport of passengers (code F6301)
F6301	<p>Financial leasing of means of transport for passengers</p> <p>This transaction is in fact not a service but a credit agreement.</p>

CODE	SERVICE AND DEFINITION
B0002	<p>Renting of ships with crew for transport of goods</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of ships without crew for transport of goods (code F6002) – financial leasing of ships for transport of goods (code F6302)
B0102	<p>Renting of aircrafts with crew for transport of goods</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – Renting of aircrafts without crew for transport of goods (code F6002) – financial leasing of aircrafts for transport of goods (code F6302)
B0202	<p>Hire of railway rolling material with crew for transport of goods</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – hire of railway rolling material without crew for transport of goods (code F6002) – financial leasing of railway rolling material for transport of goods (code F6302)
B0302	<p>Renting of lorries with driver for transport of goods</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of lorries without driver for transport of goods (code F6002) – financial leasing of lorries for transport of goods (code F6302)
B0402	<p>Renting of inland waterway vessels with crew for transport of goods</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of inland waterway vessels without crew for transport of goods (code F6002) – financial leasing of inland waterway vessels for transport of goods (code F6302)
F6002	<p>Renting of any means of transport without driver or crew for transport of goods</p> <p>Including operational leasing or exploitation leasing.</p> <p><u>does not include:</u></p> <ul style="list-style-type: none"> – renting of means of transport with driver or crew for transport of goods (ships: code B0002; aircrafts: code B0102; railway rolling material: code B0202; lorries: code B0302; inland waterway vessels: code B0402) – financial leasing of means of transport for transport of goods (code F6302)
F6302	<p>Financial leasing of means of transport for transport of goods</p> <p>This transaction is in fact not a service but a credit agreement.</p>

4. Transport auxiliary services

CODE	SERVICE AND DEFINITION
B3000	<p>Sea transport auxiliary services</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – freight handling (loading and unloading of goods) – storage of goods – packaging of goods – towing, pilotage, navigation aid and traffic control – operational services in ports – cleaning of transport equipment – salvage and rescue operations, transport intermediation <p><u>does not include:</u></p> <ul style="list-style-type: none"> – purchase and sale of fuel and supplies (code A4200) – purchase and sale of ships recorded under a foreign flag (code A0200) – repairs to port facilities (code E0003) – maintenance and repair of ships (code A3300 or code A3301)
B3100	<p>Air transport auxiliary services</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – freight handling (loading and unloading of goods) – storage of goods – packaging of goods – navigation aid and traffic control – operational services in airports – cleaning of transport equipment – salvage and rescue operations, transport intermediation <p><u>does not include:</u></p> <ul style="list-style-type: none"> – purchase and sale of fuel and supplies (code A4200) – purchase and sale of aircrafts recorded under a foreign flag (code A0200) – repair of airport facilities (code E0003) – maintenance and repair of aircrafts (code A3300 or code A3301)
B3200	<p>Rail transport auxiliary services</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – freight handling (loading and unloading of goods) – storage of goods – packaging of goods – towing and traffic control services – operational services in railway stations – cleaning of transport equipment – salvage and rescue operations, transport intermediation <p><u>does not include:</u></p> <ul style="list-style-type: none"> – purchase and sale of fuel and supplies (code A4200) – repair of railway facilities (code E0003) – maintenance and repair of railway rolling material (code A3300 or code A3301)

CODE	SERVICE AND DEFINITION
B3300	<p>Road transport auxiliary services</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – freight handling (loading and unloading of goods) – storage of goods – packaging of goods – towing services – tollage – operational services in garages, depots, service stations, etc. – cleaning of transport equipment – salvage and rescue operations, transport intermediation <p><u>does not include:</u></p> <ul style="list-style-type: none"> – purchase and sale of fuel and supplies (code A4200) – maintenance and repair of transport equipment (code A3300 or code A3301)
B3400	<p>Auxiliary services for inland waterway transport</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – freight handling (loading and unloading of goods) – storage of goods – packaging of goods – towing, piloting, navigation aid and traffic control – operational services in ports – cleaning of transport equipment – salvage and rescue operations, transport intermediation <p><u>does not include:</u></p> <ul style="list-style-type: none"> – purchase and sale of fuel and supplies (code A4200) – purchase or sale of ships recorded under a foreign flag (code A0200) – repair of port facilities (code E0003) – maintenance and repair of inland waterway vessels (code A3300 or code A3301)
B4000	<p>Auxiliary services for other modes of transport</p> <p>Only to be used if the auxiliary service cannot be assigned to a specific sort of transport.</p> <p><u>includes:</u></p> <ul style="list-style-type: none"> – freight handling (loading and unloading of goods) – storage of goods – packaging of goods – towing, piloting, navigation aid and traffic control – operational services in ports, airports, stations, garages, etc. – cleaning of transport equipment – salvage and rescue operations, transport intermediation <p><u>does not include:</u></p> <ul style="list-style-type: none"> – purchase and sale of fuel and supplies (code A4200) – repair of transport facilities and transport infrastructure (code E0003) – maintenance and repair of transport equipment (code A3300 or code A3301)

CODE	SERVICE AND DEFINITION
E0003	<p>Repair of transport infrastructure</p> <p>Although, in methodological terms, the repair of transport facilities or infrastructure belongs to construction, this service has been classified for practical reasons under the transport auxiliary services heading, due to its link with transport, but with a separate code so that it can be booked under the methodologically correct heading when data are processed.</p>
A4200	<p>Purchase and sale of fuel and supplies</p> <p>This concerns provisioning goods (bunkering) and is not a service. Due to its link with transport, this transaction has been classified under the group of transport auxiliary services but with a separate code, so that it can be booked under the methodologically correct heading when data are processed.</p>
A0200	<p>Purchase and sale of aircrafts and ships recorded under a foreign flag</p> <p>This concerns the purchase and sale of aircrafts and ships which are not registered in Belgium and therefore are not subject to a declaration concerning the crossing of national borders (customs or Intrastat declaration).</p> <p>These are in fact transactions of goods which, due to their link with transport, have been classified under the transport auxiliary services heading in order to be able to record them, but with a separate code, so that they can be booked under the methodologically correct heading when data are processed.</p>

5. Post, telecommunications and information services

CODE	SERVICE AND DEFINITION
