Payments Statistics info

OneGate for 2017 payments data collection available in Production

The OneGate reporting tool for the 2017 Payments Statistics is available. The reporting agents can now upload the 2017 Payments Statistics data. The deadline for delivering the data to the NBB is Friday **27 April 2018!**

The reporting tool 2017 will allow comparison with the 2016 data in a separate “for information only” column. The 2016 data are not accessible as they are copied from the internal 2016 database.
