

From the Maastricht Treaty to the euro: the role of the EMI

Robert Raymond

Paper presented by Ivo Maes

From the Maastricht Treaty to the euro: the role of the EMI

The birth of the EMI

The challenges ahead

How we could move forward

What was not directly on the agenda of the EMI

Was there a testament of the EMI?

The challenges ahead

- ❖ An optimal currency area?
- ❖ The first true federal move since the Rome Treaty
- ❖ The single central bank as a hub and spoke system
- ❖ Public opinion across the European Union and public accountability
- ❖ Will households accept the changeover of bank notes?
- ❖ The banking industry

How we could move forward

- ❖ Master plan
- ❖ Organisation
- ❖ "Il n'est de richesse que d'hommes"

What was not directly on the agenda of the EMI

- ❖ Future policy mix
- ❖ Financial stability
- ❖ Exchange rate policy

From the Maastricht Treaty to the euro: the role of the EMI

The birth of the EMI

The challenges ahead

How we could move forward

What was not directly on the agenda of the EMI

Was there a testament of the EMI?
